REFLECTION

Luke links the call of the first disciples with the story of a miraculous catch of fish. In so doing he introduces us not only to Peter but also to the mission of the church.

Just as Peter's call comes out of his experience of the power of Christ at work so too all who wish to be followers of Jesus must first come to know that their faith is not in a creed or a code but in a person, Jesus the Son of the living God and it is he who is the source of whatever good we may do.

*Lord,
help me to find you in all things,
and then we can do all for your greater glory.*

"Marriage is a start of a new chapter and, the understanding that, for the rest of your life, someone will always be there. NO MATTER WHAT"

World Marriage Day is held every 2nd Sunday of February and honours husband and wife as the foundation of the family, the basic unit of society. It salutes the beauty of their faithfulness, sacrifice and joy in daily married life. The origins of World Marriage Day began in Baton Rouge, Louisiana in 1981, when couples encouraged the Mayor, the Governor and the Bishop to proclaim St. Valentine's Day as 'We Believe in Marriage Day'. The event was so successful the idea was presented to and was adopted by Worldwide Marriage Encounter's National Leadership. In 1993, his Holiness, Pope John Paul II, imparted his Apostolic Blessings on World Marriage Day. Since then World Marriage Day celebrations continue to grow and spread to more countries and faith expressions every year.

The first World Marriage Day celebration in New Zealand was held in Wellington in 2011.
